

Join and Support Friends of Wamphray Church

Friends of Wamphray Church has been formed to bring Wamphray Church into community ownership. We have a target of **£45,000** to raise by **8th July 2026** (the deadline set by the Church of Scotland) to cover the purchase price and associated costs.

We are currently applying to become an official Scottish Charitable Incorporated Organisation (SCIO) and, until we have completed that process, we cannot accept membership fees or donations. However, we are asking supporters to **sign up now** to become Members and **make that all important pledge** towards our total today. We will then be back in touch once the charitable status has been confirmed to sign you up formally. Thank you in advance for your support and understanding.

By pledging your support, you will help secure a treasured landmark for public and community use, forever.

Pledges towards our £45,000 target

We are hopeful that, thanks to your generosity, our fundraising may raise more than our initial £45,000 target. If that happens, please be assured that every additional pound will go directly towards delivering essential works to the Church, such as weatherproofing, access improvements, and basic facilities, and will help us launch the next phase of community use and engagement. This includes making the building ready for events, heritage activities, and public access as a community-owned space. Your support will not only help us save the church but also enable us to bring it back to life as a shared local asset.

Pledge to Save Wamphray Church

Please complete the form below to make your pledge and email it back to us at wamphraychurch@gmail.com or print and post to Monro House, Duncan Drive, Moffat DG10 9JW. Every contribution brings us one step closer to saving this historic church for the community. **Thank you for your generosity and support!**
